RE: PSC Case No. 2005-00433 (and Case No. 2005-00323)

Dear Ms. O'Donnell:

Counsel for the Office of the Attorney General provides notice and certifies that he has, consistent with instructions from counsel for the Joint Applicants, destroyed Joint Applicants' Response to Commission Staff's First Data Request, Exhibit 9, which contains information identified in the Commission's 3 April 2006 Order as warranting confidential treatment. Further, he returns, with this letter, the Commission's 8 March 2006 Order which contains portions that also warrant confidential treatment.

If there are any questions or concerns regarding this procedure, please contact me at your earliest convenience.

Regards,

*David Edward Spenard*

David,

Thank you for your prompt review of the Commission's Order of 4-3-06.

My clients will be very pleased if you can simply certify that Exhibit 9 (footnote 6 information) has been destroyed.

Also, I have no objection to your returning the Commission's 3-8-06 Order to the Commission.

If you have any other questions, please let me know.
